

**TRANSPORTATION DRIVERS
(Two Part-Time Positions)**

East Parry Sound Community Support Services requires two part-time drivers for our transportation service. The drivers will be responsible for driving a 2018 Dodge Caravan with the conversion to support clients who are non-ambulatory/require wheelchair, and frail elderly who require extra assistance. The van is located at the Almaguin Highlands Health Centre in Burk's Falls, ON.

Qualifications:

- valid drivers license (Class "G" or higher)
- clean driving record initially and annually thereafter
- no impairments that would affect ability to drive safely for long distances, at night, and in all weather
- be in good physical health to load clients in wheelchairs in and out of the van, assist to ambulate
 - submit a clean police record search including vulnerable sector search
- have proven driving experience in both rural and urban areas (local and out of town including GTA)
 - possess excellent communication skills
- understanding of the needs of clients with impairments of mobility, hearing, vision, speech, memory
 - ability to identify when van is in need of service (ie: regular maintenance/mechanical issues)
 - have flexibility with work schedule as days/hours worked will vary with appointments booked

CPR/First Aid Certified; experience driving/working with clients who are elderly, frail, non-ambulatory; and experience with various types of wheelchairs would be considered assets
