We are working to limit the spread of the COVID 19 virus and to provide a proactive and healthy environment where employees and the residents can continue to communicate in person, if necessary.

To this effect, we are attempting to minimize physical contact with the public; so, if you are able to conduct your business via email, telephone or online please proceed in this manner. If you require assistance with online payments, please call the office at 705-382-3138 for assistance.

If you are experiencing flu like symptoms (coughing, fever, shortness of breath) please stay home. If you are displaying any symptoms you will be asked to leave. A reminder that washing your hands, refraining from touching your face, and not interacting with sick people are the best preventive measures.

If you are experiencing any flu symptoms please contact your medical advisor, Telehealth and /or the North Bay Parry Sound District Health Unit for assistance.
