March 25, 2020

COVID-19 Municipal Facilities Update

As of March 25th, 2020, Council has temporarily closed all municipal parks and facilities to the public until the Province revokes the measures imposed by the Declared Emergency. This includes the Municipal Office, Public Works Garage, the Armour, Ryerson, Burk's Falls Memorial Arena and municipal parks and playgrounds. Staff will not be sanitizing the play equipment during this time.

Council and staff wish to assure the community, we continue to provide services within the regulations outlined by the province. Although our office is closed to the public, staff are available and can be reached by phone, email or fax. A drop box has been installed at the municipal office for municipal payments and correspondence.

"Please help someone in need and take social distancing seriously. We WILL get through this together".
