Small  
Medium  
Large

Adult  
Child  
Mountain  
Road

Burk's Falls Bike Share program is an opportunity for people to get active. Bikes donated will be tuned up and placed in racks in front of the Village Office and the Welcome Centre to allow the public to grab a bike and go for a ride! We need your help to get the bike racks full!

The Village of Burk's Falls is accepting bike donations! If you have an old bike sitting around that you don't use anymore we would love to take it off your hands. Large or small we need them all! Drop them off that the Village Office 172 Ontario St, Burk's Falls, ON
